Subject: Question on Rosemount Copper Project - Additional R9 comments?

Good morning Lee - A few months ago you and I briefly discussed this project. I recently had an inquiry about whether Region 9 filed additional comments. Do you know if R9 did so, or is there someone you would recommend I reach out to to verify?

Much appreciated,
Drew

Drew,

Just wanted to pass along Hubday's response to EPA's comments on the Rosemont project. They disagree with the region pretty significantly. Just FYI

Thanks
Bill
